President's Welcome Address

On behalf of the organizing committee we cordially invite you to attend our next **International Summit for Peritoneal Surface Malignancy Disease** that will be held on **May 8th & 9th, 2015** in **Athens, Greece**.

This International Conference is organized by the **Hellenic Society of Education in Oncology & Imaging "Hippocrates"** and is under the Auspices of the **European Society of Surgical Oncology**, and the **1st Department of Surgical Oncology of Metaxa Cancer Hospital**.

Following in the footsteps of the ancient Greek philosophers, Socrates, Plato and Aristotle, shaded by grandure of the Acropolis, this meeting aims to revive the pathways of dialectic communication between the various medical sub specialties, for treatment of peritoneal surface malignancy.

Colleagues from Europe and the U.S.A. will exchange opinions with specialists from Europe, Middle East, and developing countries, considering the treatment options and the clinical application of CRS + HIPEC, the cost effectiveness of the method and possibly the pricing, in a Europe that has been fighting economical crisis for the last 5 years.

The Conference will take place at the "Erechtheion" Hall, at the Divani Palace Acropolis Hotel, Athens, Greece.

We are looking forward to welcoming you to this most interesting educational events.

Best Regards
